A Changing of the Guard Ceremony

God Bless America

*GOD BLESS AMERICA, land that I love
Stand beside her and guide her,
Thru the night with the light from above
From the mountains, to the prairies, to the oceans white with foam
GOD BLESS AMERICA, my home sweet home
GOD BLESS AMERICA, my home sweet home*

*GOD BLESSED AMERICA with li-ber-ty
Precious freedom and justice
Made this nation the light of the world
But the power and the glory have corrupted decent men
GOD LEAD AMERICA back home to Him
GOD BLESS AMERICA just once again.*

(Second verse of "God Bless America" written by Don Hull.)

America has become a dictator country because “we, the people” have strayed from the truth. God is truth and righteousness. We have left our God and gone a-whoring after vain lovers. Christians who have not become the truth, the way and the life, are not Christians. The age of Christianity is over, not unlike the age of Judaism, which ended with the coming of Christ.

We, the people of America have desecrated our flag. We no longer are a nation under God; we are no longer united. We no longer have liberty and justice for all as our Pledge of Allegiance says. Therefore we have laid our flag to rest until such time as our country once more abides by what our flag stands for. We are replacing it with 6' x 10' “Don't Tread on Me” and “Appeal to Heaven” flags.

God’s righteous judgment is about to be unleashed on the earth and America as we know it is history, for the heavens will be shaken and all powers will fail. This will precede the coming forth of the real, true America — the home of God’s people — the brave and the free.
