My dear email friends,

What is going on in Japan that is making the world begin to wonder if we are indeed fulfilling scripture in answer to the disciples' question: What will be the signs of your coming and the end of the age???

With the devastation in Japan so profound it will take decades to recover, what is God saying through all of this???

Is this retribution for the bombing of Pearl Harbor???? Will the atomic power plant explode, contaminating the country more than the bomb felled in '45?

How will we as a nation be judged at His coming??? We have turned from a nation of benevolence into a punishing, finger pointing nation.

For several years we have been flying our flag upside down as a friendly warning to America. Some idiot stole our flag thinking we were desecrating it. Stealing anything is illegal. The man who stole our flag is a veteran. Now, if you see pictures of the Civil War, all flags were hung upside down as a "nation in distress" signal for the people. AND YET THIS WARNING AROUSED SUCH IRE, THE NEWSPAPERS WROTE A STORY ON IT.

BY THE WAY, THE IDIOT WHO STOLE OUR FLAG WAS LOOKED UPON AS A HERO BY THE ZOMBIES CALLED AMERICANS.

THE APATHY OF AMERICA WILL BE OUR DOWNFALL. IS ANYONE HERE IN THE INVINCIBLE U.S.A. THINKING THIS COULD HAPPEN TO US???

We are in deep, please excuse the expression, shit. The tremors of a spiritual earthquake are beginning to affect all of us. God says He will shake everything until only that which can enter the kingdom remains.

Now expect this: Everything that you put your security in will vanish away, including your knowledge, your desires, your hopes and dreams AND ESPECIALLY YOUR MONEY.

The American dream has turned into a nightmare.

All you “loved or held dear” will have to give way to that which truly satisfies.

Our complicated life will take on a simplicity beyond anything we now know and we will find joy in all the things we took for granted.

Peace and contentment will be like a womb of protection as we turn back to God as a common denominator for our existence.

Recently I got a letter from a well known “prophet” who also was forewarning America. He admonished the people to store up food, fuel, etc. Now let me tell you, storing up on Earth will not help us in the days to come any more than anything stored up in JAPAN is helping them.

Be sure and store up treasures in heaven, for where your treasure is there your heart is also.

And the God of peace and grace be with all of us as we swim from one age to another, leaving behind all we have ever known and cling unto Him who is the Source of all we will ever want or need. HIS ABUNDANT LIFE, SWEET AND SIMPLE, AWAITS ALL. WILL WE AS A NATION COME INTO OUR INHERITANCE OR ARE WE FRITTERING IT AWAY, LEARNING BUT NEVER COMING INTO THE REALITY OF THE TRUTH CALLED HEAVEN RIGHT HERE ON EARTH?

WE HERE AT PIECEMAKERS HAVE MADE “THE ROCK” OUR REFUGE AND PROTECTION FROM THE STORM AND I PRAY WE ALL TURN TO HIM AS WE SEE THE DEMISE OF NOT ONLY OUR NATION BUT OUR WAY OF LIFE.

Marie
