

Government

3rd Letter to Governor Schwarzenegger

Governor Arnold Schwarzenegger
State Capitol Building
Sacramento, CA 95814
October 5, 2004

My dear Governor,

Please read carefully the letters sent to the state elevator service.

I feel Al Tafazoli is holding Piecemakers to a code that does not fit our elevator or store.

Please spend your valuable time in office rescinding burdensome useless laws from the backs of the working class.

Assuming to hear from you, I remain,

Sincerely,

Marie Kolasinski

A Note to our Readers: We never heard a word from Governor Schwarznegger or anyone associated with his office.
