

# Piecemakers Class Schedule

January — March 2025

## ISAIAH 9

I want my life not subsidized  
By a government that isn't wise.  
Remove, O Lord, the crutches built  
That make my pinball life go "tilt".  
I give myself to You today!  
The price is dear but I will pay!  
My pride — opinions — plans and dreams  
Aren't worth a damn — and now it seems  
I've governed all I've said and done  
And all has turned to heaps of dung.  
This day I pray You'll govern me,  
And I will rest and cherish Thee —  
The Wonderful Father — Mighty God,  
Prince of Peace who holds the rod...  
Of justice, Life and liberty  
All this and more — 'tis of Thee.

Marie Kolasinski — 1985

*Hello dear friends,*

*Surely we are living in perilous times where death and life seem to have somehow merged. We here at Piecemakers send all of you God's blessings, praying He meets your needs in sorrow or in joy. We somehow in these frightening times of crisis and transition hear the ever eternal words of our Savior saying,*

*"Fear not, for I am with you. I am your life and your sustenance. I shall be with you though heaven and earth pass away. Though your life pass away, I am more than your life, for before Abraham was, I AM. Learn to acknowledge Me in all your circumstances and lean not on your own understanding, for I am bringing America to her knees. Every tongue, whether Muslim, Jew, or Christian will all acknowledge that Jesus Christ is Lord — the very Son of the one true God. Humble yourself under my mighty chastening hand and I will flood you with grace, for I give grace to the humble, and grace comforts when no human can comfort."*

*God bless you all as we leave a world of sin and corruption and make our trek back home. For Father is ever ready to forgive us as we come with a repentant and broken heart.*

*We count it all joy to serve you and thank God for all of you as He bonds us together as one big family.*

*God bless you all,*

*Marie*
